## USAREUR Local National Internship Program

Continuing to emphasize our commitment to enhancing our engagement with NATO and our allies, U.S. Army Europe (USAREUR) is offering internships in multiple areas and disciplines; from Human Resources and Strategic Planning to International Relations and Media Relations - and many more. The opportunities are offered in many locations across Germany.

**Target Audience:** High-performing Local National University students interested in sharpening their English skills and gaining practical work experience related to their program of study.

**Compensation:** USAREUR Local National Internships are categorized as voluntary, but will be compensated in accordance with German Social and Labor Law.

**Eligibility:**

- A minimum 18 years of age
- Current full-time university student in Germany
- Be able to work a duty schedule in accordance with German laws
- Be able to successfully complete a background check which allows access to U.S. Army installations and possible DoD computer network
- Be able to participate to 3 months (90 days) in the program. Length of internship will be in accordance with German laws
- U.S. (or dual-U.S) citizen applicants cannot be considered under this program.

**Application Deadline:** 31 January 2019. Applications received after deadline will be considered based on available opportunities.

**Notification of Selection:** 30 days prior to beginning of internship, based on availability

**Internship Begins:** pending favorable outcome of background checks, internships are planned to begin between March - October 2019

**How to Apply**

Only electronic submissions will be accepted. Submit application packet to the above Email address.

Application packet should include 1) current curriculum vitae (CV), 2) cover letter of interest and 3) verification of student status. Cover letter must clearly state area of interest, current program of study, time frame available to intern and type of experience desired.
